

College and Career Pathways, Inc. (CCP) is a nonprofit organization that offers school-site and community-based college access and career exploration services to participating students. Our mission is to facilitate access to postsecondary institutions for students from underserved communities, while increasing their awareness of the wide range of available educational and career opportunities

HOW YOU CAN HELP: VOLUNTEER OPPORTUNITIES WITH CCP

College and Career Pathways (CCP) offers a number of different roles that members of the community can play in our efforts to increase educational and vocational opportunities for our students.

Tutor

Our tutors provide CCP students and their peers with ongoing academic support and remediation through weekly tutoring opportunities supplied by individuals well-versed in diverse subject areas. Tutoring takes place at Northwestern High School in Hyattsville on Tuesdays, Wednesdays, and Thursdays from 4:30-5:30PM.

Career Mentor

Our Career Mentoring Program provides an opportunity for mentors to interact with students on a one-time basis to help students learn more about their career field of interest. Mentors agree to participate in an informational interview (either by phone or in person) that allows the mentee to inquire about the typical job responsibilities, educational requirements, challenges, and opportunities of their position.

Job Shadowing Host

Job shadowing is an academically motivating activity designed to give our students the unique opportunity of an up-close look at specific positions and companies in their fields of interest. Individuals or organizations interested in hosting a Career Connections Job Shadowing activity can collaborate with members of CCP's staff to develop a program that is both educational and engaging for our students.

Chaperone

Throughout the school year, CCP students participate in a number of college and career-related field trips. Our chaperones help to insure that students are safe and engaged throughout the course of the experience.

Fundraisers/Special Events/Grant Writing

Do you have a natural talent for fundraising or organization? If so, we can always use your skills as a fundraiser, special event planner, or grant writer for CCP!

Administrative/Program Volunteer

CCP regularly engages with volunteers in the community who provide specialized workshops for our students (e.g., financial literacy, time management, study skills, etc.) or who are simply interested in working behind the scenes to make sure that our organization has the manpower to run smoothly and effectively.

Board Members/Board Committee Volunteer

CCP is always searching for hard-working, dedicated individuals interested in helping us fulfill our mission and expand our reach among students in the community. If you want to learn more about full board membership, or would like to start as a Board Committee Volunteer, please contact us at info@ccpathwaysinc.org.

For information on these and other opportunities, or to learn more about our organization, please visit our website at <http://www.collegeandcareerpathways.org>.
